it's how we **work**

A little thank you...

Since the launch in 2001 of the Hotelbeds brand we have been in a constant process of learning, listening and adapting, in order to better meet the needs of our supplier and client partners as we have sought to become the partner of choice in our industry.

Our success has only been possible by growing together with you, our partners . The 10 Year campaign is a little way for us to express our thanks to all of you for the commitment and loyalty you have shown us.

Through a wide range of events and touchpoints throughout 2012 we hope to get the opportunity to celebrate together with you!
